Local Bus Service Owner No Shire Elections 24 New Citizens for Altona Slates Councillors

(To the Editor)

Sir—May I be granted space in your valuable paper to reply to allegations and untruths that originated from the last Altona Council meeting.

Having been interstate when the Shire Secretary wrote to me I did not receive his letter until the day following the Council meeting. However, in that letter I was not invited to that or any other particular meeting. To use the wording of the letter "to a Council meeting at any time to suit yourself." I challenge the Shire Secretary to confirm or print his whole letter in this paper.

It is clearly visible to both myself and officers of the Transport Board that this attack by two councillors is not on the bus service but on me personally.

We have not had complaints about cutting out the night buses, neither has the Transport Board. Our night buses were cut out because no one was using them. This can be seen by the fact that from 6.30 p.m. to 11.30 p.m. our whole takings were never more than 30/-, sometimes only 20/-. Five hours wages and 50 miles per night was running the service into a loss of approx. £50 per week.

If brains trust, Bond and Lee want that to continue then within 6 months there would be no buses day or night. The amazing thing is that they are fighting for buses which no one uses, yet when the Transport Board gave me permission to give transport to a new area in Altona West that would have been a great benefit to mothers and babies, the Council knocked it back. They would not even allow a bus for the toddlers to their school. Do they really know what they want, or is it to be against Joiner whatever he suggests?

As for Crs. Bond and Lee's knowledge of our local transport, like them, it needs a bit of sharpening up. Our last bus from Altona is 7 p.m. and 7.30 from Williamstown; not 6 p.m. as stated by Cr. Lee.

And, for Cr. Bond's information, we have not run a bus to the trots for approximately nine months.

Cr. Lee's demand that I surrender my licence as I was the only one benefitting, just shows how ignorant this fellow really is and that he was speaking for himself and not the public.

Six years ago when the last

bus service closed down and the people of Altona were without buses for a month, it was I who had the courage to spend £11,500 to buy four buses and give local residents transport again. If Crs. Bond and Lee possessed the money to do it, would they have had the necessary stomach that it takes? Also, apparently through the "mis-management" that Cr. Lee talks about, our fleet has now grown to twelve buses. We are carrying 21 bus loads of children to school each morning which, I believe, is a record for the metropolitan area.

It is quite possible that mis-management is the reason why Cr. Bond and Lee are still riding push bikes about while the rest of their colleagues drive around in motor cars.

Apparently these gentlemen know more about transport than the Co-ordinator of Transport, as he clearly states in his report that he cannot see how the services can be increased until the patronage increases. We are operating entirely on our own and must make ends meet.

Unlike the Tramways Board, which does not have to worry about costs; the good old public "dobs in" for that.

In conclusion, it may enlighten Altona Council to know that 61 per cent. of private operators do not run buses after 7 or 8 p.m. and 50 per cent. do not operate at all on Sundays; so Altona is not so badly done by after all. It is also predicted that within three years no buses will operate after 7 p.m.

I will be available for the next Council meeting if required.

—Yours, etc., J. H. JOINER

ALTONA BOWLING CLUB EFFORT

The winner of last week's Altona Bowling Club effort was M. McIntyre, No. 37.

oOo

KOORINGAL ASSOCIATES

The Wednesday competition was a Foursome, and although the day was very cold, 75 Associates played.

The winners were Mrs. R. Spear and Mrs. H. Caddy, 80 net.

Mrs. Spear (19) and Mrs. Caddy (21) qualified for the Doris Chamber's Cup.

Congratulations to the Pennant team and the best of luck for Friday playing at Kew.

There will be no Shire Elections in Altona this year. The three retiring Labor Councillors Crs. Bond, den Dulk and Lee will thus be returned unopposed. And Altona will once again have an all Labor Council for the next 12 months.

This year will be the first since the inception of the Shire, when an election will not be held. It will be recalled that in the election for the first, Council some 26 candidates offered themselves for the arduous task of Councillor.

TWO REMANDED

Two North Altona men who appeared at Footscray Court last week on charges of storeroom breaking, were remanded to appear at Williamstown Court on August 22.

They are Ronald Allan Leahy, 27 Beaver Street and Douglas Leonard Jinks, 20 Beaver Street, North Altona.

Successful Cabaret

A very successful evening, both financial and otherwise, was held at the Koorringal Golf Club on Wednesday, July 21, by the Hospital committee to raise funds for the local hospital.

One hundred and forty guests enjoyed the intimate atmosphere of a night club complete with candlelight and a floor show featuring Georgia Lee and two Russian dancers. Wolf Abramowitz provided the music to a continental rhythm.

IMPROVEMENTS TO KOROROIT CREEK ROAD

The Board of Works has included in its works program for 1962-63 the cleaning and deepening of the Paisley drain from the bay to Maddox Road, with improved culverts across Kororoit Creek Road and Maddox Road.

Ladies of the Altona branch of the C.W.A. supplied the floral decorations at the Naturalization Ceremony at Altona last Monday night.

The Lifesavers Hall was decorated with flowers of all hues and kinds, with liberal sprinklings of early wattle and heath. Mrs. Ackery, Secretary of the Altona CWA personally made and distributed posies to the lady candidates and ladies of distinguished visitors.

The Shire President, Cr. R. J. Cooper, assisted by the Shire Secretary, Mr. J. W. Waters, officiated at the ceremony at which 24 persons were candidates for citizenship.

Senator A. Hendricksen was the first person to welcome the new citizens on behalf of the Parliaments of Australia. Other honorary representatives were unable to attend. Mr. R. T. Pollard was attending preliminary talks in Canberra prior to a trip overseas to discuss Britain's entry into the European Common Market, whilst Mr. G. R. Crick, M.L.A. was absent interstate of State Parliamentary Public Works Committee business.

Senator Hendricksen appealed to all citizens to play their part in all organisations within the Commonwealth and at all times to keep in their minds that Australia was a land where one had freedom of speech, freedom of worship, and there was a freedom of the press.

He said that when attending a recent Naturalization Ceremony in Queensland he was surprised to find that in one particular area it was estimated that 4000 candidates had not signed the appropriate enrolment cards after they had received citizenship papers. Therefore, at his suggestion the Shire Secretary had co-operated and ensured that enrolment cards were available for signature by the candidates at the Altona ceremony.

After the Shire President had congratulated each citizen and stated "You are now a British Subject and Australian Citizen," the recipient signed the appropriate enrolment card before resuming his seat.

Welcomes were also extended

Mr. W. Smallman, a member of the Good Neighbor Council; Mrs. King, President of the Altona CWA, and Crs. G. den Dulk and W. G. Cresser. Mrs. D. McIntyre played the National Anthem, which was followed by a very tasteful supper catered for by the ladies of the Lifesavers' Club. Following are the candidates who were naturalized last Monday night:—

Mrs. Irena A. Arnastauskas, 1 Romawi St., Altona, Lithuanian. Mrs. Tamara Dilders, 324 Blackshaws Road, North Altona, Latvian.

Leonidas Dimitracopoulos 85-87 Pier St., Altona, Greek.

Debt Collector For Rate Arrears

The Rate Collector made the following report to Council last week regarding arrears of rates.

Further to a report submitted to the last Council meeting, the matter of garnishee action for arrears of rates and street charges has again been discussed with the Council's solicitors and certain details have been clarified.

1. Action can only be taken for amounts which the Court had given judgment in 1960. Of the 11 defaulters listed, 9 have also incurred arrears of street charges and ten have incurred further arrears of rates since 1960. This means that further summonses will have to be issued for the additional arrears.

2. Defaulters' place of employment and pay day would have to be ascertained and an order served on that day.

In view of the large amount of legal work and costs involved in these cases, and as each street defaulter is increasing. A check of street accounts shows that 125 accounts are in arrears to the extent of more than two quarterly instalments.

Accounts are rendered quarterly and follow-up letters are sent regularly, but the number of bad cases varies little from one quarter to another.

Arrears of rates have increased this year due mainly to the occupancy of new dwellings.

The Shire Secretary made the following recommendations to the Council.

In view of the complex procedure to be followed and the need for constant calling upon defaulters for collections (as letters and summonses are apparently disregarded) it is recommended that a reliable debt collecting agency be appointed for the purpose. Costs of collection would be in the vicinity of 10 per cent of collections which would be cheaper than legal procedure and extra time entailed by the rates office to pursue collections.

Cr. McIntosh said it was a very touchy subject but something had to be done to make people pay their rates and street charges. A lot of people did not seem to realise that if rates were not paid, streets etc. could not be made. Many of the defaulters were among those who complained most about the unmade roads and lack of other facilities. He moved that the Secretary's recommendations be adopted and the matter placed in the hands of a debt collecting agency.

Cr. Giniher seconded the motion which was carried.

HELPFUL HARRY SAYS

- An old shaving brush is better than a rag for dusting ledges, corners and mouldings. Trimming the bristles to a point makes it still more effective.
- A silver teapot used only occasionally may develop a musty odour. Keep it sweet with a spoonful of dry tea-leaves left in the pot.
- An upholsterer's discarded spiral spring makes a good protector for an unshaded electric bulb or garage lamp. Remove the bulb and fix the smaller end of the spring to the lamp socket.

EDUCATION WEEK

Open day at Seaholme State School during Education Week will be the afternoon and evening of Wednesday, August 22.

The emphasis will be on physical education, choral and Recorder Band work.

Two Sides

LETTER TO THE EDITOR

Sir,

Much criticism has been levelled at the proprietor of the Altona Bus Lines at his action in discontinuing running buses to Williamstown after 6.00 p.m., but some consideration must be given to the fact that as a private operator, Mr. Joiner must endeavour to make the bus line pay.

The Council's attention is drawn to the report made by the Co-ordinator of Transport, Mr. A. G. Brown, which appeared in your columns last week. A survey shows an average of only 9½ passengers on the three buses at 7.00, 8.55 and 10.35 p.m., hardly sufficient to pay the drivers' wages, let alone running costs, registration and maintenance etc.

An observation made by Mr. Brown is commended to the Council:

"The advent of TV has rearranged the visiting habits of population. They no longer travel at night in search of entertainment and unless the Shire is prepared to subsidise a bus service I believe that night travel will continue to diminish and force deletion of these services."

The Council has done a great deal since severance in improving facilities and amenities in the Shire, such as streets, the Esplanade, welfare centres, kindergartens, youth organisations, etc. Surely the Council could give some consideration to Mr. Brown's observation and invite Mr. Joiner to lay his cards on the table. I'm afraid that many ratepayers will not agree with the view that no bus service is better than a poor one.

Pupils To Thank Motorists

School pupils will be asked to raise their caps to courteous motorists as part of the Courtesy Is Catching campaign beginning in Victoria next week.

Initiated by the Victorian Division of the National Safety Council of Australia, in conjunction with the Department of Education. The campaign will run through August and will involve pupils from all Victorian schools and colleges.

The Director of Education, Mr. McDonnell, has asked all teachers to make a special point of discussing with pupils the advantages of road courtesy and the problems arising from discourtesy as a major road accident factor.

Students will be asked to acknowledge all acts of courtesy extended to them, by thanking, waving or raising their caps.

"Courtesy is in fact catching, particularly when youth sets the standard for adults," Mr. McDonnell said.

The Director of Catholic Education, the Rev. Father Keaney, has pledged his support for the Council's campaign, and all other registered schools and colleges in Victoria have been asked to participate.

The president of the National Safety Council, Mr. A. J. Collocott said today that the widespread co-operation ensured, will make the "Courtesy is Catching" campaign a permanent feature of road awareness which will ultimately benefit all students and the motoring public generally.

PENSIONERS' ASSOCIATION NEWS

NEWPORT BRANCH

The usual fortnightly meeting of the branch was held in the Library Hall, Mason Street, Newport, on Friday, July 27.

A very large gathering of members and friends attended and seven new members were enrolled.

The State Executive and State Council delegates gave their report on what is happening in the association and the proposed visit by delegates to Canberra who will try and obtain some concession before the Budget is brought down in Parliament.

The next meeting of the Newport branch will be held in the Library Hall, Mason Street, Newport, on August 10 at 1.30 p.m.

DROVE WITHOUT LICENCE

John Maxwell Currie, of 10 Tuppen Street, Yarraville, 18 was fined £5 at Williamstown Court this week for driving in Melbourne Road, Newport without being licenced.

Constable G. Hyde said he saw Currie seated behind the steering wheel of a car parked in Melbourne Road on May 26. He asked him if he drove the car and Currie said he had driven the vehicle from Yarraville. He did not have a licence but just wanted to try the car out.

Cr's Wedding Anniversary

An anniversary, uncommon in Australia, was celebrated in the Lifesavers' Hall last Saturday night.

The occasion was the 12½ years wedding anniversary of Cr. and Mrs. G. den Dulk, of Bracken Grove. Cr. den Dulk said this anniversary is celebrated just as much in Holland as the 25th and subsequent ones.

About 60 guests attended to wish Cr. den Dulk and his wife well and to enjoy a very pleasant evening. Mr. Ron McLeod was MC for the evening and Mr. L. Noordenne proposed the toast. Most of the evening was devoted to dancing to the music of Noel Farrar's band. Songs by well-known local singer, John Kelly, were very much appreciated.

Among the guests present were Cr. den Dulk's colleagues on the Shire Council, the only absentees being Crs. W. Irwin and V. Hearn who could not attend because of illness.

oOo

DANGEROUS FOOTPATH

During general business at last week's council meeting, Cr. Bond drew the Council's attention to the bad state of the footpath near the corner of Queen and Pier Streets.

It would appear that the roots of the large tree on the vacant block there had caused the concrete to lift and break. Cr. Bond said the footpath was a hazard and moved that it be repaired. He suggested that the cost could be put in this year's estimates.

Seconding the motion Cr. W. Cresser said "Why wait for the estimates? Someone could get injured in the meantime." The motion was carried and the Engineer said he would give the matter attention.

Pre School Tenders

As reported in last week's "Star," the firm of H. & L. Weaver successfully tendered for the building of four pre-school centres in the Shire. Their tenders of approximately £8,600 each were nearly £2,000 lower than the next tenders. Six builders submitted tenders for the centres.

Cr. McIntosh moved that the lowest tenders be accepted. Cr. Bond seconded and added that this firm had completed several contracts for the Council and had always done a good job. It was hoped to have the centres completed by the start of the new school year in February 1963.

The centres will be situated at Collins Avenue, Parkside Crescent, Blackshaws Road (near Herbert Street) and Somers Parade.

In answer to a question by Cr. Lee, the Shire Secretary (Mr. J. W. Waters) said plans for the extensions to the Lifesavers' Hall

Not Approved

A further application for permission to build a petrol station came before the council last week. The proposed site is in Millers Road north of the Squash Courts and along May Street. The Shire Secretary (Mr. J. W. Waters) said that if permission was granted the area would have to be rezoned as at the moment it was residential.

Moving that approval be not granted Cr. Ginifer said a previous application for a service station on a site in the same vicinity had not been approved. Cr. McIntosh said he wholeheartedly seconded the motion. In support, Cr. Lee said Altona already had sufficient service stations. "If we had as many buses as service stations everyone would be happy," said Cr. Lee. The motion was carried.

were in the hands of the architect, Mr. R. Warren, who would shortly submit suggestions for some alterations which he felt would be of benefit to the Lifesaving Club.

Dust Nuisance At SEC Dump

The Shire President (Cr. R. J. Cooper, J.P.) reported to Council last week that he had attended a meeting with Mr. S. Cohen, Q.C., who had been briefed by the Council for the contemplated action against the S.E.C. over the nuisance caused by the briquette depot. Cr. Cooper said it was felt that the Council should seek a conference with top executives of the S.E.C., the meeting to take place preferably in Altona.

Mr. Cohen said that he did not feel that sufficient evidence had as yet been obtained to give the Council a good case in obtaining the Attorney-General's Fiat.

He had visited Altona on two occasions but at neither time was there much dust blowing from the dump. He was willing to visit Altona in response to a phone call when the wind was blowing dust from the dump if he was available.

Cr. Cooper moved that steps be taken to convene a meeting with the S.E.C.

Seconding the motion, Cr. J. Ginfier said he was not happy with what had gone on up to the moment. Maybe, he said, the weather had been kind to the S.E.C. when Mr. Cohen visited the Shire.

Cr. McIntosh asked what further evidence Mr. Cohen wanted.

Several photographs of dust blowing from the dump, damage to houses and contents, survey sheets and letters from residents had already been sent. Cr. Cooper said Mr. Cohen would personally like to see conditions when they were really bad. He assured Council that the case was by no means hopeless. The motion was carried.

WEST NEWPORT BASEBALL CLUB

SENIORS

Playing at home last Saturday, West Newport, with good teamwork and batting, defeated Carlton 3-1.

Tony Michael pitched to Jim Michael and was well backed up by good fielding.

Carlton scored their only run in the first innings and were out for the rest of the game.

West drew level in the fifth innings and then converted two good hits by Carlton into two double plays by Jim Michael (catching), Kevin Michael (first base) and Alec Parker (second base). This was also Jim Michael's fourth double play in the last three games.

Having beaten the top four teams in the last four games West Newport are now equal with on the ladder.

Best Players: Kevin Michael, J. Woodsell and Robert Sutton.

Safe Hits: J. Woodsell 3, Ray Scott 2, Kevin Michael and Tony Michael 1 each.

This Saturday the Seniors are to play St. Albans at Loft Reserve, West Newport.

JUNIORS

Williamstown defeated West Newport 12-3 at Williamstown last Saturday. It was only the second loss the Juniors have suffered this year.

Williamstown scored seven runs in the first innings and had got away to a good lead of 11-0 before West Newport scored their first run in the fourth innings.

John Maher, in the eighth innings, hit his eighth home run this season.

Best Players: L. Schutt, John Maher and J. Brown.

Safe Hits: John Maher and J. Brown, 1 each.

This Saturday the Juniors play away to Flemington.

New Bridge In Millers Rd

Elsted Contracting Co. Pty. Ltd., of Footscray, successfully tendered for the construction of the bridge which is to be constructed over Kororoit Creek in Millers Road.

Ten tenders were submitted ranging from £21,022 to £35,819, though there was little difference between the lowest three.

At last week's Council meeting Cr. McIntosh moved that the lowest tender be accepted as recommended by the Shire Engineer and added that he hoped for a better job than the King Street bridge. Cr. Bond seconded the motion which was carried.

The bridge will be of concrete construction similar to the one

over the creek in Kororoit Creek Road. It will consist of eight spans of 40 ft. each.

The Shire Engineer (Mr. R. C. Simmons) said that the £21,022 covered the cost of labour forces. In addition the C.R.E. would supply cement, and re-inforcing beams etc. at a cost of £14,383. Testing and boring had cost £3,089 and it was estimated that £1,125 would be spent on the bed of the stream under the bridge. Total cost therefore would be £39,610.

Mr. Simmons said the three lowest tenders had been gone into thoroughly. He was satisfied that Elsted Contracting Co. was capable of carrying out the contract satisfactorily.

Protest Against Atomic Tests

In a letter to the Shire Council, the Hon R. T. Pollard, M.P. for Lalor, said that his attitude towards the American, and indeed, the Russian or anybody else's atomic explosion tests had already been clearly expressed at meetings of the Federal Parliamentary Labor Party Executive, its Caucus and in Parliament itself and would continue to be expressed.

He assured Council that he would not be negligent in expressing the Council's and his own attitude on this all important world problem.

Referring to Mr Pollard's letter, Cr. W. Lee said the Council at last week's Council meeting had already registered a protest against the United States tests

in the Pacific.

It was the official policy of the ALP to protest against any nuclear tests. Repeated tests by any country should not be tolerated. He moved that the Council send a letter of protest to the Soviet Embassy and Cr. McIntosh seconded the motion, which was carried.

OUR SPECIAL RECIPES

HONEY CAKE SLICE

Ingredients:
 4 oz. butter
 6 oz. brown sugar
 1 cup honey
 2½ cups plain flour
 1 teaspoon bicarb. soda
 1 tablespoon mixed spice
 1 teaspoon nutmeg
 1 tablespoon ground ginger
 1 large egg, beaten
 1 cup undiluted evaporated milk
 1 dessertspoon vinegar
 Lemon icing
 Cherries to garnish.

Method:
 Melt butter, honey and sugar together. Cool. Sift flour, bi-carbonate of soda and spices three times. Gradually add butter mixture, eggs and evaporated milk to which 1 dessertspoon of vinegar has been added, to flour. Mix well and bake in a well greased shallow cake tin at 300° F. for 30-40 minutes. Remove from tin and when cool ice with lemon icing and garnish with a cherry.

HAMBURGER ONION PIE

Ingredients:
 4 oz. short crust pastry
 1 lb. fine minced steak
 2 small onions, peeled and sliced
 1 level teaspoon salt
 Good pinch pepper
 1 rounded teaspoon butter or dripping
 2 eggs
 1 cup undiluted evaporated milk
 1 cup water
 1 cup grated cheese
 1 level teaspoon mustard
 Pinch cayenne

Method:
 Make a plain short crust and line the bottom and sides of an 8" pie plate. Melt the butter in a saucepan, add the onion and toss until soft but not brown. Add the meat and stir over a medium heat until it changes colour. Flavour with salt and pepper. Cool. Spread in the bottom of the uncooked pastry case. Beat the eggs and add the milk, water, salt, cayenne, mustard and cheese. Pour over the meat. Bake in hot oven for 10 minutes, reduce the heat to moderate and continue cooking for a further 20 minutes or until the custard is set and the pastry a golden brown. Serves 6.

STORING TO SAVE

Any money which you may have saved when purchasing is quickly lost if food is improperly stored. Here are some hints to keep food fresh and appetising.

Milk:
 Keep fresh milk covered and under refrigeration. It should never be left in bright sunlight or a strong light, as this will destroy some of its vitamin content. Dry and evaporated milk in cans should be kept in a cool, dry place. After it is opened, full-cream dry milk should be kept in a tightly covered container in a refrigerator. Opened evaporated milk should always be refrigerated. In this way it will keep as long as fresh milk. Skim milk can be stored at room temperature.

Meat, Fish and Poultry:

These should be stored on clean plates in the coldest part of the

refrigerator. Raw meat is better unwrapped unless stored in the freezing compartment. Cooked meats need to be wrapped to prevent drying out. Fish should be cooked soon after purchasing. If it is to be kept a short time, store in a plastic bag.

Eggs and Cheese:

Eggs absorb flavors even through the shell, and should be stored in a covered container in a refrigerator or cool place. When storing the white only, place in a tightly covered container. When storing the yolk, cover with a little water to keep it from drying out. Cheese needs cool storage. Cream cheese and other soft cheeses should be used soon after purchasing. Hard cheese should be kept in a covered container to prevent drying out.

Fruits and Vegetables:

Green and salad vegetables should be stored in the refrigerator in covered crisper containers or plastic bags. Otherwise store in a cool, well-ventilated area. Potatoes and root vegetables are best in a cool, dark, well-ventilated rack. Bananas should be stored at room temperature. Ripe peaches, apricots, plums and berry fruits should be refrigerated unwashed until ready for use.

Bread and Cereals:

Store bread in a box with a few holes for the circulation of air. Do not store cakes and biscuits together or with bread. Cereals should be stored in clean, dry containers with airtight lids.

Butter and Margarine:

Butter should be kept covered in the refrigerator. Margarine can be stored in a cool cupboard, but in hot weather in the refrigerator.

Follow these simple rules and you will save your food—and money.

Tailpiece:

If you think you're a housewife good,
 Then here's the way to judge it:
 You ample buy, yet waste no food,
 And live within your budget.

New Toilet Block For Langshaw Res

Made an Order of the Day at the previous Council meeting, a subsidy for recreational purposes decision on how to spend the £800 which is granted yearly by the State Government came up for discussion last Tuesday week.

At the previous meeting, extra tennis courts had been approved but a final decision was deferred to give councillors time to think of the most suitable location.

At last week's meeting, Cr. J. Ginner moved that extra tennis courts not be pressed for at this time, but that the £800 from the Government be applied for to construct a toilet block on Langshaw Reserve, North Altona. As this was a sports reserve on Council land the money could be used for this purpose. Cr. Ginner said there were no proper toilets and he felt a good toilet block with septic tanks was what was needed.

Seconding the motion Cr. McIntosh said the reserve was well patronised and he felt a toilet block was a necessity.

The Engineer said the block could be constructed with a similar brick to the other two buildings already on the Reserve. The motion was carried.

SCOUT & CUB NEWS

The Senior Scouts rolled up their sleeves last Wednesday night and helped Scout Master Carl Boye to "move camp." This good deed done the boys enjoyed a supper at the home of Mr. and Mrs. Colvin.

Carl and Mrs. Boye would like to thank everyone for their kind wishes on the birth of their daughter recently. Also for the help given in finding a new residence for them and their family.

1st Altona

Last Saturday these boys played at Footscray in the District Lightning Football Match. It was a wild and woolly game enjoyed by both boys and spectators. Altona lost the first game but scored against 10th Footscray in the losers' play-off.

A team of happy boys came home with hopes of playing a return match with Footscray in the near future.

The Mums will agree they also brought home a ton of Footscray mud too!

Best players were John Fairway and Robert Walker.

Cubs

First Aid Tests passed: Ian McLennan, Garry England, Victor Delorenzo, Philip Tyrell, Alan Burke, Robert Pratt, Ross Cruttenden, Kenneth Randall.

Notice To Charitable And Community Welfare Organisations

The Apex Club of Altona will shortly be planning its community service programme for year ending 30th June, 1963, and will be pleased to consider written applications for our manual assistance from organisations which come under the charitable or welfare category.

Applications, which close 31st August, 1962, should be addressed to the Secretary, Apex Club of Altona, P.O. Box 24, W 18, and they will be considered in the light of our commitments, if any, at the particular time our assistance is sought.

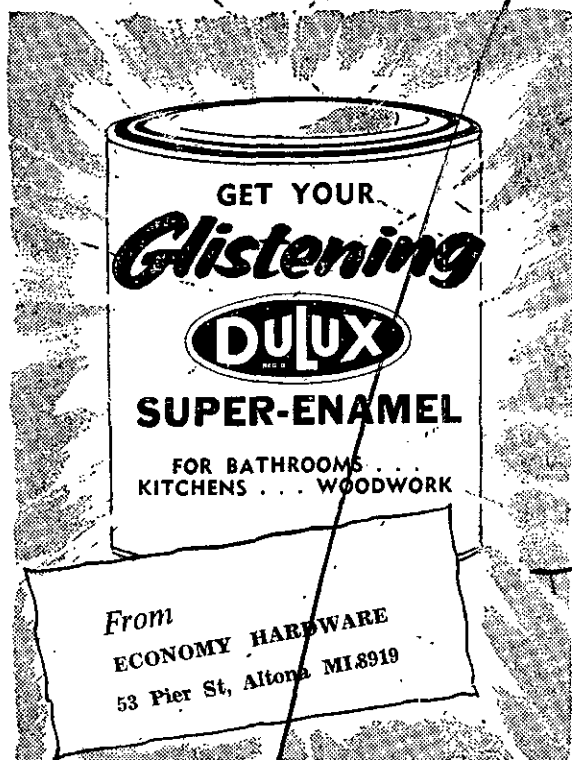

Political parties should not apply as Apex is strictly non-political, non-sectarian. Although the assistance which we envisage is not financial, we may be prepared to roster our members to aid fund-raising projects within the district.

YOUTH CLUB NOTES

Last Tuesday the annual meeting of the Altona Police and Citizens Youth Club was held at the Youth Club Hall.

From the good roll-up it appears that more people are becoming interested in the youth of Altona.

The following office-bearers were elected for the next 12 months:—

President: Mr. T. McGarry; Vice-Presidents: Mr. G. Sherriff and Mr. A. Wearne; Secretary: Mr. V. Simmonds; Assistant Secretary: Mr. S. Hyde; Public Relations Officer: Mr. S. Ashman; Auditor: Mr. F. Mallett; Council Representative: Cr. S. McIntosh; Police Representative: Sen. Const. Emmerson.

Committee: Messrs. Drake, Lee, Parbury, Harvey, Swarbrick, Murphy, Cullen, Knucky, Dickenson, Anson, and Brown. Mesdames Hendricks, Brown, Hocking, Sherriff, Ashman, Rose, Thomas, McGarry and Murphy.

SOCIAL COMMITTEE

The social committee of the club will hold their annual meeting at the Youth Hall, Nellie Street, at 8.00 p.m., on Tuesday, August 7. All people interested would be most welcome to attend this meeting.

A letter of appreciation has been sent to Petroleum Refineries (Aust.) Pty. Ltd., for a donation of £50.

The club would like to pass on congratulations to Mrs. Maud Ashman, the Girls' Gymnastics Leader, on the birth of a son.

ALTONA FOOTBALL CLUB NEWS

The locals just managed to score a victory against Laverton at Laverton last Saturday. This came about when Altona held Laverton in the third term.

The winning margin of 12 pts shows how Altona has slipped in the past weeks and to win this week against Werribee Sth., the top team, appears to be a dream. However, Altona tested south and lost by a point last time they met.

It was pleasing to see the junior players now in the senior team making their presence felt, especially Munro who showed promise at full forward.

HOCKEY

BY CENTRE

A Reserve were defeated by Zone leaders MCC in a close game at Albert Park. Altona had a slight edge in the game early, but the experienced MCC team led by former Olympian Ken Clarke called the tune in the second half and went on to win 2-0.

Best Players: Bill Smith and Eric McCauley.

B Grade were soundly beaten by University.

C Grade defeated VRI in a one sided game at Altona. Playing with more system, Altona registered a cricket score of 6-1.

Best Players: John Gardner and Sel Ashman.

Goal Scorers: Herb Douglas 3, Anthony Wiebenga 2, John Gardner 1.

Under 15 met old rivals in Strathmore and gave one of their best displays in a comfortable 3-0 win.

Attacking from the start, Altona were all over their opponents and Don Orchard scored from a nice piece of play. Jeremy Hunter was playing a great game at centre forward and after a nice pass from Terry Woodcock found the net to give Altona a comfortable lead at half time.

A fine goal from Jeremy Hunter in the second half sealed the game for the Altona.

Best Players: Jeremy Hunter, Brian Gardner and Peter Hunter.

LADIES' HOCKEY

E Grade were defeated by Sandringham in a game that the scores did not give a true indication of the game. Up to the half time whistle scores were even, but Sandringham playing with more accuracy in the final stages, Sandringham went on to win 4-1.

Best players: Carol Hayes, Carol Harris.

NEXT SATURDAY'S GAMES

A Reserve v Old Melb. at home at 3.30.

B grade v EGSOB, away at 1.45.

C grade v Essendon at home at 1.45.

Under 15 v Essendon at home at 10.30.

Sunday

Under 13 v Footscray at time and place to be stated.

Motor Cyclist Fined

John Alfred Pavey, of 4 Cernus Crescent, North Williamstown, was fined a total of £11 at Williamstown Court this week.

Pavey was fined £1 for having no registration label affixed to his motor cycle, £5 for riding a motor cycle when not licensed to do so, and £5 for giving a false name and address when questioned in Champion Road Williamstown.

Constable A. Loughton told the Court he asked Pavey for his driver's licence and he said he had a learner's permit, which he had left at home. When asked for his address defendant said Oxford Street, Newport.

Constable Loughton said he accompanied Pavey to that address and when they reached there defendant told him he did not live there and did not have a permit.

oOo

TRUCK DRIVER DROVE AT 55 M.P.H.

Noel Portingale, of 176 Queen Street, Altona, was fined £10 for driving at 55 m.p.h. in a 30 m.p.h. zone in Mille's Road, Altona in a truck on April 27.

He was also fined £5 for diverging right without giving a hand signal.

KOORINGAL GOLF

Saturday's Stableford Competition results are as follows:—

A Grade: M. Thomson (8), 33 points on a count back from J. Greenwood and R. Frazer.

B Grade: F. Roadley (15), 38 points.

C Grade: G. Wise (26), 40 points.

Sunday's Bogey Competition resulted in a win for N. McKinnon (9); 2 up, from J. Spear (19), square, A. Kelly (22); 1 down, and E. Roach (13); 1 down.

On Sunday a number of the Kooringal members played at the Open Meeting at the Werribee Golf Club and two Altona members won the major trophies.

Merv Fordham (4) won the 36 Hole Championship with a score of 71.65 132. His afternoon round of 65 set a new club record.

Another outstanding performance was Nev Hudson's A Grade victory with a very good score 74.73 (26) 121 over 36 Holes.

Next Saturday is the first round of the Club Championships and also Monthly Medal Day.

TABLE TENNIS NOTES

Kingsville easily retained the pennant leadership with a 9.2 win over Colts. Altona, with T. Smith winning his three singles accounted for Maidstone 7.4.

Other A Grade winners were Williamstown and Seagulls. With two more rounds remaining, the final four appears likely as Kingsville, Maidstone Altona and Colts.

This week's main match is between Colts and Altona. Colts are due for a good night and are likely to surprise by taking this match. Kingsville should end the slim chance of W'town making the finals whilst Footscray should defeat Albright & Wilsons and Maidstone appear much too strong for Seagulls.

Atlas Shield matches commence this Friday and the Western Suburbs No. 1 team plays VRI at the Table Tennis Centre Garden Street, Williamstown. Teams in which players are participating in Atlas Shield have arranged their Pennant matches to an alternate night.
